

**NOTICE OF PUBLIC HEARING BY THE  
LOCAL AGENCY FORMATION COMMISSION  
FOR THE PROPOSED "MEADOWS 3 DETACHMENT" FROM THE  
LEUCADIA WASTEWATER DISTRICT**

NOTICE IS HEREBY GIVEN, that a meeting of the Commission is scheduled for 9:00 a.m., on August 2, 2010, in Room 302, County Administration Center, 1600 Pacific Highway, San Diego, to consider the above referenced proposal.

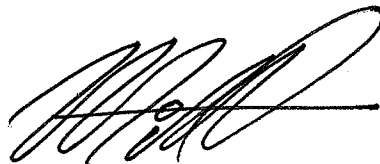

The detachment area includes 70 parcels totaling 32.52 acres, known as the La Costa Meadows Unit 3 subdivision and is located North of Alga Road , east of El Camino Real, south of Palomar Airport Road, and west of Melrose Drive (Thos. Bros. pg. 1127/H4-H5). The detachment from the Leucadia Wastewater District (WD) is requested so that the City of Carlsbad can provide sewer service in the proposal area. Leucadia WD is requesting the detachment of these developed parcels because the City of Carlsbad is constructing a new gravity sewer tributary that will serve the proposal area. This project will replace the aging Meadows 3 pump Station, which has been servicing the area.

**State Law requires that notification of the proposed detachment be published in a newspaper serving the area, and that property owners and registered voters located in the affected territory and within 300 feet of the exterior boundary of the subject property be individually notified. Unless there is written opposition received regarding the proposal or the Commission's intent to waive protest proceedings, there will be no subsequent protest and election proceedings.**

At the hearing, the Commission will hear any person who wishes to speak and will consider the application and report of the Executive Officer. The file may be examined in the LAFCO office and the report can be downloaded from the San Diego LAFCO's website at ([www.sdlafco.org](http://www.sdlafco.org)). For further information, please call (619) 531-5400.
