

**LOCAL AGENCY FORMATION COMMISSION
EXECUTIVE OFFICER'S REPORT**

FOR MEETING OF: NOVEMBER 4, 2013

(Continued from October 7, 2013)

Proposal

“Sharp Hospice-Bonita House Annexation” to the San Diego County Sanitation District (DA13-40)

Proponent

Property owner, by petition

Description/Justification

Proposed by petition of the landowner is the annexation of one unincorporated parcel, totaling approximately 1.11-acres, to the San Diego County Sanitation District (SD) for the provision of sewer service. The proposed annexation area is not located within the adopted sphere of influence of the San Diego County SD; however, the proposal territory is located within the sphere of influence of the City of Chula Vista. San Diego LAFCO policy allows for unincorporated territory located within the City of Chula Vista’s sphere to annex to the San Diego County SD without a sphere amendment.

The proposal territory is developed with one single-family residence which utilizes a septic system. The landowner intends to demolish the existing residence and construct a new 6-bed Hospice Home. The existing septic system is undersized for the new construction; therefore, the landowner is requesting annexation to the San Diego County SD for sewer service to the development.

The San Diego County SD has indicated that capacity is available to extend public sewer service to the proposal territory. The landowner will finance all costs for the approximate 700-foot connection to the San Diego County SD sewer main located within Valley Vista Road.

The proposal territory is surrounded by single-family development and will continue to receive fire protection services from the Bonita-Sunnyside FPD, and water service from the South Bay Irrigation District.
