**TO:**              Special Districts Advisory Committee

**FROM:**          Administrative Assistant

**SUBJECT:**      Cancellation of the May 15, 2009 Advisory Committee Meeting

Due to scheduling conflicts for some members and no controversial projects under consideration at this time, the May 15<sup>th</sup> Advisory Committee meeting has been cancelled. The next regular meeting is tentatively scheduled for June 19, 2009 and there is a high probability that a meeting will be held. The election results for special district positions on the Commission will be known later this month and interviews for the Advisory Committee vacancies should be conducted at that point. An agenda for the June 19<sup>th</sup> meeting will be mailed approximately two weeks before the meeting date.

Additionally, the Commission will hold another discussion of water supply and reliability issues at their June 1, 2009 meeting. A copy of that report will be sent to you by the end of this month.

If you have any questions, please call me at (619) 531-5400.
