3. PROTEST HEARING | Pauma Valley Fire Joint-Reorganization | (RO18-13 et al.)

On August 5, 2019, the San Diego County Local Agency Formation Commission (LAFCO) adopted a resolution conditionally approving a joint proposal filed by four subject agencies to transfer fire protection and emergency medical service responsibilities in unincorporated Pauma Valley to the County of San Diego. The transfer concurrently involves divesting these service powers from the Mootamai, Pauma, and Yuima Municipal Water Districts (MWDs) and expanding the activated latent power area for these services for County Service Area (CSA) No. 135. LAFCO approved the joint proposal with modifications to add 18.6 acres of additional unincorporated land immediately outside the MWDs and involve assessor parcels' 134-120-08 and 134-120-09. Standard conditions were also included in the approval. The protest hearing has been scheduled by the Executive Officer consistent with adopted policy to receive written protests from affected landowners and/or registered voters within the affected territory to the reorganization. All written protests must be submitted before the conclusion of the hearing. Any person who has filed a written protest may withdraw that protest at any time before the conclusion of the hearing. The hearing and valuation of the protests will be conducted in conformance with adopted policy.
