Affected Agencies

Mission Resource Conservation District
Resource Conservation District of Greater San Diego County
Upper San Luis Rey Resource Conservation District

The San Diego County Local Agency Formation Commission (LAFCO) invites all interested parties to review and provide written comments on a draft municipal service review prepared on the Resource Conservation Districts in San Diego County. The draft has been prepared consistent with statute and direction to LAFCO to regularly study the availability and adequacy of local governmental services relative to current and future community needs. This includes preparing written determinations addressing specific factors and include growth and population projections, infrastructure needs and deficiencies, financial standing, and opportunities for government restructure. LAFCO will draw on the final municipal service review in guiding subsequent sphere of influence updates and inform future boundary changes.

The draft on the municipal service review is available online at www.sdlafco.org. Written comments received on the draft by **Monday, February 1, 2021** will be incorporated into preparing a final document for action at a future LAFCO meeting.

Comments and questions on the draft municipal service review should be directed to Linda Heckenkamp by e-mail at linda.heckenkamp@sdcountry.ca.gov or by telephone at 858-614-7755.
