NOTICE OF PUBLIC REVIEW AND COMMENT

**DRAFT ADDENDUM TO MUNICIPAL SERVICE REVIEW ON
EASTERN MUNICIPAL WATER DISTRICT**

December 22, 2022

The San Diego County Local Agency Formation Commission (LAFCO) has prepared an addendum to an earlier municipal service review on the Eastern Municipal Water District as part of the administrative reviews of two related reorganization proposals. The earlier municipal service review was completed by Riverside LAFCO in May 2019 and largely draws on information collected between 2014 and 2018. The addendum prepared by San Diego LAFCO is in draft-form and provides gap analysis on Eastern Municipal Water District's potable water function and financial standing through 2021.

The purpose of the addendum is to inform San Diego LAFCO in its deliberations of the referenced reorganization proposals filed by Fallbrook Public Utility District and Rainbow Municipal Water District. These proposals collectively seek approval to annex the applicant's jurisdictional boundaries to Eastern Municipal Water District to receive wholesale potable water supplies. Concurrent detachments from the San Diego County Water Authority are also requested along with necessitating conforming spheres of influence actions.

Additional details follow.

- The draft addendum and an associated prospectus are available for public viewing by visiting the LAFCO homepage at www.sdlafco.org. Copies may also be obtained by contacting the LAFCO office at 619-321-3380.
- Riverside LAFCO is tentatively scheduled to review the draft addendum at a regular meeting on Thursday, January 26, 2023. The item is expected to be presented for information and in advance of the Riverside LAFCO Executive Officer providing comments on the sufficiency of the document. (Meeting information for Riverside LAFCO is available online at www.lafco.org or by calling 951-369-0631.)
- The public is invited to provide written comments on the draft addendum through **Thursday, February 9, 2023** via email to Analyst I Carolanne Ieromnimon at carolanne.ieromnimon@sdcounty.ca.gov. Comments received by this date will be incorporated into a final addendum presented to the Commission for formal action at a future hearing with the above-referenced proposals.
