ROSS PIKE

NORTH COUNTY FIRE PROTECTION DISTRICT

February 21, 2023

Dear San Diego County Special Districts,

I've had the pleasure of traveling around San Diego County over the past few weeks to meet many of you and it has been enlightening to hear about the experiences your districts are facing and how you interact with SDLAFCO. Thank you for your time and for sharing your stories!

SDLAFCO encourages orderly growth, promotes the logical formation and determination of local agency boundaries, discourages urban sprawl, and preserves open space and prime agricultural lands. From there, our Special Districts provide essential services to constituents, ratepayers, and community residents to achieve the goals of their unique agencies. Our SDLAFCO Commissioners present as one of the few outlets for representation and it's important that our Commissioners work to provide better collaboration between SDLAFCO and our Special Districts. As Directors, Trustees, and Board members, we understand that our agencies must adapt to the changing world we live in and our Special Districts must have a voice in the process that impacts them.

I am uniquely qualified and have been fortunate to be nominated by North County Fire Protection District and received support from Mission Resource Conservation District where I serve as a new Board Member. Also, serving on a Community Planning Group has provided me an education in land use experience where I serve on subcommittees advising on roads, traffic, and public facilities. All these roles require close attention to detail, commitment to the community, and dedication. That experience provides critical perspectives when voting on matters before SDLAFCO.

As a leader in the recent redistricting efforts, I attended every redistricting commission meeting which often would go on until nearly midnight and was able to activate our Community Planning Group in the process. Fallbrook was the first Planning Group to send a letter to the Redistricting Commission and the two letters I authored were well-received which resulted in bipartisan support and unanimous votes by my colleagues. I also led the community to submit comments with 397 comments mentioning Fallbrook compared to 470 comments for Oceanside, a city more than triple our size. Our efforts were successful and the input we submitted helped shape the final map of Supervisor District 5.

Local control matters. We represent the communities we live in and serve. We know what is best for our neighbors because we live in the same community as them. Serving as an alternate and attending the meetings for the North County Dispatch Joint Powers Authority has allowed for me to see how both Special Districts and cities were able to band together to provide essential services at healthy savings to our taxpayers by each district and city bringing their own independent perspectives and skills/services to the table, all while still maintaining all of our own local autonomy.

Please reach out to me if you have any questions or want to talk about anything. I always tell my constituents that they elect me to do a job, which means to get things done effectively and thoughtfully. I not only welcome your input, but I ask for it. As your Special District Representative to SDLAFCO, I would represent you and ensure that the voice of the Special Districts in San Diego County is heard.

Thank you for your time and consideration. I respectfully ask for your Board's vote to represent you and all our special districts as the Special Districts Representative on the San Diego Local Agency Formation Commission.

Respectfully,

Ross Pike
