Dear Mr. Bebee and Mr. Kennedy:

The Fallbrook Community Planning Group voted at our March 21, 2022 to support the detachment of Fallbrook Public Utility District and Rainbow Municipal Water District from the San Diego County Water Authority and purchase water from Eastern Municipal Water District.

We urge LAFCO to approve this application by FPUD and RMWD.

The vote for this detachment, which is required by law, should be held in accordance with the law. Ratepayers of FPUD and RMWD should decide for themselves whether or not to remain in the San Diego County Water Authority or detach.

FPUD and RMWD Ratepayers in the past have made substantial investments to fund SDCWA infrastructure. Since these investments will continue to benefit other Water Authority Agencies, there should not be any additional or ongoing payments from FPUD or RMWD Ratepayers to the San Diego County Water Authority.

Sincerely,

Eileen Delaney, Chair
