**SUBJECT: Proposed Policy Update:
 LAFCO Personnel Policies and Procedures**

SUMMARY

The San Diego County Local Agency Formation Commission (LAFCO) will review a proposed policy update to its personnel policies and procedures. The proposed update ties to the adopted workplan and prepared with the assistance of LAFCO’s contract human resources advisor – Regional Government Services Authority (RGS). The Commission reviewed a draft version at its December 2023 meeting with feedback for staff to further refine certain employer-employee relationships – including telework provisions and related liability protections. The proposed update incorporates these and other refinements and edits as detailed and presented for Commission approval with any changes. Consideration may also be apportioned over two or more meetings should the Commission prefer a more detail discussion of each section comprising the update.

BACKGROUND

Human Resources Support & Current Policies

Starting in October 2022, San Diego LAFCO contracted with RGS to provide human resources support services. These support services are billed hourly and primarily focus on employee relationships ranging from benefit and leave administration to performance management.

This relatedly includes reconciling the Commission’s own policies on certain personnel topics with more expansive cross-references to the County of San Diego’s policies as part of Rule 6.

Adopted Workplan & Two-Part Comprehensive Update to Personnel Policies

San Diego LAFCO’s current workplan was adopted at a noticed public hearing in May 2023 and includes 30 priority-listed projects for the fiscal year. This includes a two-part project tied to a comprehensive update to LAFCO’s personnel policies (Rule 6) and divided between setting a scope of work and proceeding with the drafting of the document itself. The underlying intent to the two-part project is to scale LAFCO’s personnel procedures as a stand-alone document and reflect the employer-employee needs of a relatively small public agency. The Commission proceeded to approve a scope of work in August 2023.

DISCUSSION

This item is for San Diego LAFCO to consider a proposed policy update to its personnel policies and procedures (Rule 6). The proposed update returns largely intact from its draft presentation at the December 2023 meeting with revisions largely tied to addressing Commission comments involving telework and related liability issues. A summary of all substantive edits reflected in the proposed update before the Commission follows.

- **Clarifying Dress Code**

- Section 3.13.1 - Dress Code (Office Attire):

- This section was amended to remove reference to jeans within the listing of accepted business casual clothing and moved to be included as part of the last paragraph – permitting casual clothing on Friday’s.

- “Employees working at the LAFCO office on Fridays are welcomed to dress more casually so long as they clothes remain neat, clean, and in good repair. Jeans are allowed if free of any tears, fading or fraying. The following exceptions apply and are not allowed at any time: gym or workout attire; shirts or t-shirts with images or designs; and flipflops.”

- **Limiting Use of Personal Equipment**

- Section 2.4 - Electronic Communication:

- This section was amended to make explicit LAFCO employees are only to conduct Commission business on LAFCO issued devices.

- The Commission, as the provider of access to its electronic communications and data e-sources, reserves the right to specify how those resources will be used and administered to comply with this policy. Employees may be subject to corrective action including termination for using the Electronic Communications Resource Devices in a manner other than for their intended purposes, or in a manner that violates applicable laws. Employees should only perform work on LAFCO issued devices and must not use personal devices – this applies to employees who are allowed telecommuting privileges.

Section 2.5.3 - Electronic Communication:

This section was amended to make explicit LAFCO employees are only to conduct Commission business on LAFCO issued devices and consistent with the preceding amendment (Section 2.4).

Added to telecommuting equipment section:

Use of personal equipment is not permitted. Employees should only perform work on LAFCO issued equipment. ~~When using personal equipment for telecommuting, the employee is responsible for maintenance and repair of the equipment.~~

- **Defining Incidental Use**

Section 2.4.4 – Incidental Personal Use:

This section was amended to further address and clarify the meaning of “incidental personal use” of Commission devices.

San Diego LAFCO employees may use Commission devices (e.g., computers, telephones, smart phones, and tablets as well as e-mail and data networks) for incidental personal communications if kept to a minimum and limited to break times or non-working hours and does not violate the terms of this policy. Incidental personal use of electronic resources must not adversely affect the performance of official duties or the organization’s work performance, must not be disruptive of colleagues and peers, and must be of limited duration and frequency. More than occasional, incidental use of Commission devices, including during nonwork time, is not permitted.

Section 2.6 – Use of LAFCO Vehicles:

This section was amended to further address and clarify the meaning of using a LAFCO-owned vehicle on an “incidental basis.”.

San Diego LAFCO employees with a valid California driver’s license and insurance certificate on file with the County of San Diego and the Executive Officer are eligible to use LAFCO-owned vehicles for official agency business. Use is subject to approval by the employee’s supervisor and/or manager and may include overnight privileges. LAFCO-owned vehicles shall not be used to transport unauthorized passengers, including family members except as may occur on an incidental basis or with a business justification. Incidental personal use of LAFCO-owned vehicles must not adversely affect the performance of official duties or the organization’s work performance, must not be disruptive of colleagues and peers, and must be of limited duration and frequency. More than occasional, incidental use of a LAFCO-owned vehicle, including during non-work time, is not permitted. Employees with authorization to use the LAFCO-owned vehicles will be responsible for keeping the vehicle clean and presentable at all times. Accidents and/or damages must be immediately reported to the employee’s supervisor and/or manager.

A copy of the proposed update with track changes reflecting the revisions made after the February 5th meeting is provided as Attachment One.

ANALYSIS

The proposed update before San Diego LAFCO follows the Commission's approved scope of work and scaled to the organization's unique setting as a public agency with less than 10 fulltime employees. This includes addressing evolving workforce themes with respect to setting modern rules and expectations of employment at LAFCO ranging from adaptive accommodations to health and safety protections. Equally, the update addresses modern rules and expectations of employees with respect to workplace interactions and relationships, attire and appearance, and off-duty activities – including outside employment and social media uses. The update also – materially – establishes more direct and simplified complaint and disciplinary processes. Requested changes by the Commission involving further refinement of teleworking and other forms of potential liability are also addressed.

RECOMMENDATION

It is recommended San Diego LAFCO approve the proposed update to the Commission's personnel policies. This recommendation is consistent with Alternative One outlined in the proceeding section.

ALTERNATIVES FOR ACTION

The following alternative actions are available to San Diego LAFCO:

Alternative One (recommended):

Approve the proposed update to LAFCO's personnel policies (Rule 6) as provided as Attachment One with any desired changes.

Alternative Two:

Continue consideration of the item to a future meeting and provide direction to staff for additional information as needed.

Alternative Three:

Take no action.

Unused sick leave may be accumulated from year to year. An employee may be authorized to use a maximum of eighty (80) hours of paid accrued sick leave in a twelve-month period for the purpose of caring for a member of the immediate family who is ill or injured. In addition, if the employee requests paid sick leave in excess of eighty (80) hours in order to care, or arrange care, for a member of the immediate family who is critically or terminally ill, additional accrued sick leave may be available to the employee when granted by the Executive Officer upon receipt of satisfactory verification from a physician.

6.20 EXECUTIVE OFFICER COMPENSATION PLAN –

This Executive Officer Compensation Plan establishes the compensation for the Executive Officer, an Executive Management position. The plan provides for initial placement and subsequent adjustment of salary within the salary schedule fixed by the Commission. Any adjustment in rate of compensation pursuant to this plan shall be administered by the Commission.

1. Structure

(a) The minimum, midpoint, and maximum rate of the designated range are set forth in the salary schedule. The salary band range for the Executive Officer classification will be aligned with and automatically adjusted from time to time with the same salary range as comparable classifications in the County (i.e., planning director, public works director, registrar of voters, etc.).

(b) The midpoint rate of the designated range represents the job value of a fully competent employee and is the benchmark used to compare the class to other classes, internally and externally. The midpoint rate may be changed periodically by the Commission to reflect changes in internal and/or external factors. Any such change to the midpoint shall not automatically effect a change in the then current rate of the Executive Officer.

(c) The relationship between the minimum and maximum rates of the designated range shall approximate a differential of 50%.

(d) The range does not have steps. The Executive Officer may be paid an amount equal to or between the minimum and maximum rate of the designated range, according to the provisions of this plan.

(e) The structure of the range shall be reviewed periodically, and may be changed by the Commission. The structure will be automatically adjusted based on salary band changes authorized by the County to its employees in comparable positions.

2. Appointment

The Executive Officer is appointed by the Commission and serves at the pleasure of the Commission. A person initially appointed as Executive Officer shall receive a salary determined by the Commission.

3. Adjustment Within Range up to Midpoint

For an employee whose salary is below midpoint of the designated range, adjustments up to the midpoint shall be governed by this subsection (3). No provision in this subsection (3) shall be construed to provide a guarantee of adjustment at any time during the employee's term of employment.

- (a) Effective the first day of any pay period after each anniversary date of the employee's appointment as Executive Officer, the employee may receive a salary adjustment of 5% of current salary, not to exceed midpoint. Any adjustment shall be approved by the Commission and based upon the determination by the Executive Officer Compensation Committee that the employee's overall performance is rated at the level of "meritorious" or higher.
- (b) No provision contained in this subsection (3) shall be construed to limit or deny the Commission's discretion to postpone an adjustment or reduce the compensation of an employee as a result of the employee's performance, as recommended by the Executive Officer Compensation Committee. However, any subsequent salary adjustment prior to the employee's next annual anniversary date must be based upon a mid-cycle Performance Evaluation. If such adjustment is an increase, the new salary rate shall not exceed that which the employee would have been eligible to receive on or after the immediately preceding anniversary date, pursuant to this subsection (3).
- (c) Notwithstanding subdivisions (a) and (b) of subsection (3) above, the Commission may approve an adjustment of the Executive Officer's salary rate upon recommendation of the Executive Officer Compensation Committee.

4. Adjustment Within Range Above Midpoint

The Commission may adjust the Executive Officer's salary rate above midpoint if the employee's overall performance is rated at the level of "outstanding" by the Executive Officer Compensation Committee. This rating alone does not entitle the employee to a pay adjustment.

5. Exemplary Performance Compensation Adjustment

- (a) Eligibility and Maximum. An Executive Officer may receive an exemplary performance compensation adjustment (e.g., cash award and/or bonus) in

increments of one percent (1%) not to exceed a total of (10%) of the employee's approximate annual salary at the time of approval of the adjustment.

- (b) Approval. Adjustments shall be based upon the recommendation of the Executive Officer Compensation Committee following a performance evaluation, subject to the availability of funds within the budget.
- (c) Term of Adjustment. An Executive Officer shall be limited to one exemplary compensation adjustment in a calendar year and shall be paid either in a lump sum or in incremental payments during the year.
- (d) Compensation Unfixed. Payment of compensation adjustments shall not affect the Executive Officer's rate of compensation. Commencing the first day of the first full pay period of each calendar year, compensation of the Executive Officer shall be unfixed and indefinite for the year until such time as the Commission determines whether to authorize an exemplary performance compensation adjustment. That determination is to be based upon an evaluation of the employee's performance by the Executive Officer Compensation Committee.

6. Executive Officer Compensation Committee

Wherever this plan refers to the Executive Officer Compensation Committee, the following shall apply:

- (a) The Executive Officer Compensation Committee shall consist of three members of the Personnel Committee as provided under Rule No. 1.11 with the option of the Chair to add a fourth member at his or her discretion.
- (b) The Executive Officer Compensation Committee shall periodically review and rate the performance of the Executive Officer and make recommendations to the full Commission for any adjustments to the Executive Officer's compensation.

7. Relocation Allowance

Upon determination by the Commission that relocation allowance is appropriate to facilitate recruitment for and appointment of an Executive Officer, a relocation allowance in an amount not to exceed \$12,000.00 may be authorized for the actual and reasonable relocation expenses incurred incidental to relocation of the appointee and his/her immediate family to San Diego County. Expenses may include, but are not limited to, personal transportation, moving expenses for household goods and temporary housing arrangements. Claims for expenses submitted pursuant to this provision shall be subject to review and determination by the Chairperson prior to reimbursement. Reimbursement for relocation expenses shall be subject to review of the full Commission.

8. Severance Pay

If an Executive Officer is terminated by the Commission, s/he may be eligible to receive up to six (6) months of their then annual salary upon approval of the Commission; provided, however, that no severance pay may be paid if termination is for reasons of malfeasance or misfeasance in office or conviction of a crime involving moral turpitude.

6.21 TELECOMMUTING –

Telecommuting is an arrangement that allows eligible LAFCO employees to work in a designated area outside the office. Telecommuting is a cooperative arrangement between employees and LAFCO. Telecommuting benefits employees, LAFCO, and the community, and as such is encouraged by the Commission to the extent applicable with these provisions.

Benefits include:

- Ability to function during an emergency when the regular worksite is inaccessible.
- Increased productivity.
- Efficient use of LAFCO resources, including office space.
- Recruitment and retention of highly qualified employees.
- Greater flexibility for employees.
- Improved employee morale and job satisfaction.
- Reduced employee absenteeism.
- Reduced employee commute time and costs.
- Decreased energy consumption, pollution, traffic, and related congestion.

1. Policy Guidelines

- a) Telecommuting is a privilege, not a right. All LAFCO employees who telecommute must have an approved telecommuting agreement under this policy. In his/her discretion, the Executive Officer may have additional telecommuting requirements, guidelines, or procedures, provided they are consistent with the intent of this program.
- b) Telecommuting does not change the duties, obligations, responsibilities, or terms and conditions of LAFCO employment. Telecommuting employees must comply with all LAFCO rules, policies, practices, and instructions.
- c) A telecommuting employee must perform work during scheduled telecommuting hours. Employees may not engage in activities while telecommuting that would not be permitted at the regular worksite, such as child, elder, or other dependent care. Telecommuting employees may take care of personal business during unpaid lunch periods, as they would at the regular worksite.

- d) Employees must read the telecommuting policy and any guidelines issued by the Executive Officer, obtain the Executive Officer's approval and execute the telecommuting agreement before telecommuting.
- e) The Executive Officer may deny, modify, or terminate a telecommuting agreement for any business reason that is not arbitrary or capricious. Similarly, a telecommuting employee may end or request to change a telecommuting agreement at any time.
- f) Telecommuting is intended to be cost neutral. LAFCO is not required to provide telecommuting employees with materials or supplies needed to establish an alternate worksite (desk, chair, computer, software, cell phone, etc.), and assumes no responsibility for set-up or operating costs at an alternate worksite.
- g) The Executive Officer has the sole discretion to provide equipment, software, or supplies, or allow employees to use their personal equipment while telecommuting. The Executive Officer has the sole discretion to reimburse employees for the costs of using personal equipment while telecommuting. Any provision to reimburse costs should be addressed expressly in the telecommuting agreement.
- h) All LAFCO rules regarding the use of computers, network, and the internet apply while an employee is telecommuting, regardless of whether the employee is using LAFCO-provided or personal equipment.
- i) Telecommuting is distinguished between "regular" and "situational." Regular telecommuting involves an employee continually working specific days/times from an offsite location. Situational telecommuting involves an employee working specific days/times from an offsite location with defined start and ending periods and typically in response to temporary issues (daycare, schooling, transportation, etc.).

2. Eligibility

- a) Eligibility for telecommuting is based on both the position and the employee. Not every job, or every employee, is well suited for telecommuting.
- b) All professional positions as defined in Rule No. 6 are eligible for regular or situational telecommuting privileges.
- c) All support positions as defined in Rule No. 6 are eligible for situational telecommuting privileges.
- d) The determination of whether eligible employees are authorized for regular or situational telecommuting is the sole discretion of the Executive Officer.
- e) Only employees with most recent satisfactory or above job performance evaluations are eligible to telecommute.

- f) Notwithstanding eligibility under normal conditions, all employees shall automatically telecommute for the duration of any declared emergency by the County Health Officer unless otherwise required by the Executive Officer.

3. Agreement Options

- a) Telecommuting agreements can be authorized by the Executive Officer on a regular or situational basis as defined in this policy.
- b) Telecommuting agreements – whether regular or situational – shall follow the form approved by Commission Counsel and signed by both employee and Executive Officer.
- c) All signed telecommuting agreements shall be filed with employees’ personal records.

4. Work Hours

- a) Under normal conditions, the percent of telecommuting hours for any authorized employee should not exceed 50% of their total workhours during the fiscal year.
- b) All the rules applicable at the regular worksite are applicable while telecommuting.

This includes all of the following standards:

- Telecommuting employees must perform their designated duties and tasks during scheduled work hours.
- Employees must account for and report time spent telecommuting the same way they would at the regular worksite, or according to the terms of the agreement.
- Time accounting should be included in the telecommuting agreement.
- Employees may work overtime only when directed to do so and approved in advance by the Executive Officer or Assistant Executive Officer.
- Employees must obtain approval to use vacation, sick, or other leave in the same manner as departmental employees who do not telecommute
- Telecommuting employees who become ill must report the hours actually worked and use sick leave for hours not worked.

5. Offsite Work Area

- a) A telecommuting employee must designate a work area suitable for performing official business. The employee must perform work in the designated area when telecommuting. Telecommuting employees must work in an environment that allows them to perform their duties safely and efficiently.
- b) Employees are responsible for ensuring their work areas comply with the health and

safety requirements covered in the telecommute agreement. LAFCO may request photographs of the employee's designated work area to determine compliance with health and safety rules.

- c) Employees are covered by workers' compensation laws when performing work duties at their designated alternate locations during regular work hours. Employees who suffer a work-related injury or illness while telecommuting must notify the Executive Officer or Assistant Executive Officer and complete any required forms immediately.
- d) LAFCO is not liable for damages to an employee's personal or real property while the employee is working at an alternate worksite.

6. Equipment and Supplies

- a) A telecommuting employee must identify the equipment, software, supplies, and support required to successfully work at an offsite location and must specify those items in the telecommute agreement. If LAFCO does not provide the needed equipment, software, supplies, or support, and the employee does not have them, the employee will not be eligible to telecommute.
- b) Equipment, software, or supplies provided by the LAFCO are for LAFCO business only. A telecommuting employee does not obtain any rights to LAFCO equipment, software, or supplies provided in connection with telecommuting. The employee must immediately return all LAFCO equipment, software, and supplies at the conclusion of the telecommuting arrangement or at the Executive Officer's request.
- c) A telecommuting employee must protect LAFCO equipment, software, and supplies from possible theft, loss, and damage. The telecommuting employee may be liable for replacement or repair of the equipment, software, or supplies in compliance with applicable laws on negligence or intentional conduct in the event of theft, loss, or damage.
- d) Any equipment, software, files, and databases provided by the LAFCO shall remain the property of the LAFCO. A telecommuting employee must adhere to all software copyright laws and may not make unauthorized copies of any LAFCO-owned software.
- e) Employees may not add hardware or software to LAFCO equipment without prior written approval.
- f) Employees who use their personal equipment for telecommuting are responsible for the installation, repair, and maintenance of the equipment. Telecommuting employees must understand and agree that the LAFCO is entitled to, and may access, any personal equipment used while telecommuting, such as a personal computer, telephone, fax machine, monthly bills, and internet records. Employees must contact the Executive Officer or Assistant Executive Officer if equipment, connectivity, or other supply problems prevent them from working while telecommuting.

7. Security of Confidential Information

- a) All files, records, papers, or other materials created while telecommuting are LAFCO property. Telecommuting employees shall identify any confidential, private, or personal information and records to be accessed and ensure appropriate safeguards are used to protect them.
- b) LAFCO may require employees to work in private locations when handling confidential or sensitive material. Employees may not disclose confidential or private files, records, materials, or information, and may not allow access to LAFCO networks or databases to anyone who is not authorized to have access.

8. Sunshine Laws

- a) The California Public Records Act regarding public information and public records apply to telecommuting employees. Public records include any writing containing information relating to the conduct of the public's business prepared, owned, used, or retained by the LAFCO regardless of physical form or characteristic. Public information means the contents of a public record.
- b) Upon receipt of an appropriate request, and subject to authorized exemptions, a telecommuting employee must permit inspection and examination of any public record or public information in the employee's custody, or any segregable portion of a public record, within required time limits. This requirement exists regardless of where the public record is located.

9. Procedures

- a) Employees must complete the following steps before telecommuting:
 - Talk with the Executive Officer to determine eligibility.
 - Complete the telecommute agreement as required by the Executive Officer.
 - Receive approval of the telecommute agreement by the Executive Officer.

10. Denial, Modification, or Termination

- a) Denial, modification, or termination of a telecommuting agreement is not subject to the grievance procedures in any Memorandum of Understanding, or to any other review or appeal procedures, except as noted in this section.
- b) An employee who believes their telecommute agreement has been denied, or whose previously approved agreement has been modified or terminated, for arbitrary or capricious reasons may appeal the decision to LAFCO's Personnel Committee or its designee. SAN DIEGO COUNTY LOCAL AGENCY FORMATION COMMISSION

CHAPTER ONE GENERAL PROVISIONS

1.1 INTRODUCTION

Welcome to San Diego County Local Agency Formation Commission (LAFCO or the “Commission”). We hope you will enjoy partnering with us and will find your work interesting, challenging, and fulfilling.

LAFCOs were established in 1963 and are political subdivisions of the State of California responsible for providing regional growth management services in all 58 counties. LAFCOs are comprised of locally elected and appointed officials with regulatory and planning powers delegated by the Legislature to collectively ensure smart and sustainable growth in California relative to the unique needs and conditions characterizing each county. Pertinently, LAFCOs coordinate and oversee the establishment, expansion, and organization of cities, towns, and special districts as well as their municipal service areas. This means actively balancing competing public policy interests and headlined by accommodating new growth and development while protecting agricultural and open space resources from their premature conversion.— Further, when accommodating new growth, LAFCOs are tasked with prioritizing housing for persons and families of all incomes given the essentiality to the social, fiscal, and economic well-being of the state.

A common thread underlying San Diego LAFCO activities over its first 60 years has been the proven principle that local government is dynamic and evolves to the changing needs of the county and its nearly 3.3 million residents. More changes to local government are assuredly needed to help ensure San Diego County continues to grow for its own economic and social well-being. Equally assured is the next 60 years will not necessarily resemble the last 60 years and each employee is vital in helping to ensure the Commission remains adaptive and responsive in its service to the public.

1.2. SHARED VALUES

On June 21, 2023, San Diego LAFCO staff participated in a facilitated team workshop to assess shared values in step with continuing to improve organizational performance. 2. Teamwork

Promote and foster a collaborative work environment to achieve San Diego LAFCO's ~~M~~Mission, Vision, and ~~and~~-shared sense of ~~purpose~~community.

5. Integrity

Demonstrate personal integrity. -Commit to being accountable, honest, and adhere to a high standard of ethical values.

1.3 EXPECTATIONS

1.3.1 Policy Intentions

The personnel policies and procedures outlined in this handbook are not intended to be a legal contract or agreement with employees. Instead, this handbook serves to describe the way the organization works and what mutual expectations you and the Commission should have from each other. There will be circumstances that will require changes to the policies, practices, and benefits. Amendments to these policies and procedures may be made and updates may be distributed to you from time to time. Where an applicable employee agreement specifically conflicts with a policy, the employee agreement provision will prevail.

1.3.2 Employee Responsibilities

Each employee at San Diego LAFCO is responsible for reading and complying with these policies and procedures. Violations of these policies and procedures will be addressed with employees in performance discussions and may result in disciplinary action up to and including termination of employment.

In the event there is a discrepancy between the language in these policies and procedures relative to state or federal law, federal or state law will prevail.

1.4 SEVERABILITY

If any part of these policies and procedures is determined to be unconstitutional or illegal, that part will be ~~severed~~severed, and the remaining provisions will be applicable.

CHAPTER TWO WORKING CONDITIONS

2.1 EQUAL EMPLOYMENT AND RELATED PROTECTIONS

San Diego LAFCO affords equal employment opportunity for all qualified employees and applicants to all terms of employment ~~with the~~ with the Commission including ~~Commission including~~, but not limited to, compensation, hiring, training, promotion, discipline, and termination of employment.

~~The Commission~~ The ~~protects~~ Commission protects all employees, interns, applicants, and any others doing business with LAFCO from harassment, discrimination, and retaliation. This includes prohibiting any forms of discrimination, harassment, and retaliation from occurring within the Commission working experience; to define those terms; and to establish procedures for investigating and resolving internal complaints.

Any employee, job applicant, intern, volunteer, officer, official, or contractor who believes they have experienced any form of harassment or discrimination are encouraged to report this immediately to the Assistant Executive Officer or the Executive Officer using the complaint procedure provided in Appendix A, Prevention of Harassment and Discrimination. Alternatively, complaints may be made by contacting the United States Equal Employment Opportunity Commission or the State of California Civil Rights Department (CRD) www.calcivilrights.ca.gov

2.1.1 Reasonable Accommodation

San Diego LAFCO is committed to providing reasonable accommodations to affirmatively address employees and applicants' disabilities or other types of hardships whether temporary or permanent that otherwise effect their work activities. Where it is not an undue hardship or a direct threat to the health and safety of others, the Commission provides employment-related reasonable accommodations to:

- Employees and applicants who request reasonable accommodations to enable them to perform essential job functions based on temporary or permanent health conditions and as verified by an authorized medical provider;
- Employees with conditions related to pregnancy, childbirth, or a related medical condition, if she so requests, and with the advice of her health care provider;
- Employee victims of domestic violence, sexual assault, or stalking to promote the safety of the employee victim while at work; and
- Employees who request reasonable accommodation to address a conflict between religious belief or observance and any employment requirement.

The Commission may require the individual to provide reasonable medical documentation confirming the existence of the disability and the need for reasonable accommodation, along with the name and credentials of the individual's health care provider. If the individual provides insufficient documentation, the Commission will: (1) explain the insufficiency; (2) allow the individual to supplement the documentation; and (3) pursue the interactive process only to the extent that the request for reasonable accommodation is supported by the medical documentation provided.

If the employee's – other than the Executive Officer – condition causes them to be unable to perform the essential functions of their position even with a reasonable accommodation, the Commission may separate the employee from employment. Similarly, should the Executive Officer's condition cause the same limitations, as described above, the Commission may separate the employee from employment.

If a pregnant employee, or an employee with a pregnancy-related condition – including an adoption, requests a reasonable accommodation, the Executive Officer or designee will provide the employee with notice of the need for a medical certification within two business days after the employee's request for accommodation. A medical certification confirming the need for a reasonable accommodation is sufficient if it contains:

- A description of the requested accommodation;
- A statement describing the medical advisability of the accommodation due to pregnancy; and
- The date that the need for the accommodation will become necessary and the estimated duration of the accommodation.

2.1.2 Certification of Victim Status

Any San Diego LAFCO employee who is a victim of domestic violence, sexual assault, or stalking and who requests an accommodation to provide for their safety while at work must provide both of the following:

- A written statement signed by the employee or an individual acting on the employee's behalf, to certify that the accommodation is to address victim-safety concerns while at work; and
- A certification demonstrating the employee's status as a victim of domestic violence, sexual assault, or stalking, which can be in the form of: a police report indicating the employee's victim status; a court order separating the perpetrator from the employee or that the employee has appeared in court for that purpose; or documentation from a medical professional or counselor that the employee is undergoing treatment for physical or mental injuries or abuse resulting from an act of domestic violence, sexual assault, or stalking.

2.1.3 Fitness for Duty Examinations

With respect to current employees at San Diego LAFCO, and to help ensure appropriate protections for all parties, the Executive Officer may require an employee to submit to a fitness for duty examination. The purpose of the examination is to determine whether the employee has a disability and can perform the essential functions of their job when there is significant evidence of the following:

- Employee's ability to perform one or more essential functions of their job has declined; or
- Circumstances cause a reasonable person to question whether an employee is still capable of performing one or more of their essential job duties or is still capable of performing those duties in a manner that does not harm themselves or others.

Should an employee not comply with a request from the Executive Officer to report to the designated medical provider for a fitness duty examination they will be subject to ~~discipline including~~ discipline including possible termination of employment.

With respect to applicants, after the Commission extends a conditional offer of employment to an applicant, San Diego LAFCO may require the applicant to submit to a fitness for duty examination that is job-related, necessary for efficient operations of the agency, and required of all applicants for the job classification.

The Commission will notify an applicant or employee who is required to pass a medical and/or psychological examination of their right to obtain a second opinion at their expense and that they may submit such second opinions for consideration.

2.2 OUTSIDE EMPLOYMENT AND RELATED ACTIVITIES

Employees at San Diego LAFCO may not engage in any outside employment or perform off-duty work, paid or ~~volunteer, if~~ volunteer, if it conflicts with or impairs the employee's ability to perform their job duties and responsibilities through the end of their workday. Similarly, any outside employment or off-duty work that impacts any aspect of the Commission's operations in terms of otherwise reasonable requests for employees to attend meetings, trainings, and conferences that are outside their normal workday schedules shall be avoided and is the responsibility of the employee to mitigate.

To avoid perceived or actual conflicts of interest that may arise from outside employment, all employees must obtain prior written approval from the Executive Officer or designee.

2.2.1 Off Duty Conduct

While San Diego LAFCO does not seek to interfere with an employee's off-duty conduct, certain types of conduct exhibited outside of work may interfere with the Commission's legitimate business interests. Employees are expected to conduct their personal affairs

in a manner that does not adversely affect the Commission's integrity, reputation, or credibility. Off-duty conduct that adversely affects legitimate Commission business interests or an employee's ability to perform their work is not permitted.

2.3 CONFIDENTIAL INFORMATION

San Diego LAFCO is a public agency and most but not all of the information on file is readily available to the public through proper request procedures. However, the Commission also possess information regarded as confidential. A prominent example involves personnel records, which should remain confidential except when disclosure is required by law. The following examples are intended to serve as a guide to the types of such information and material:

- Commissioners and coworkers' home addresses, private telephone numbers, and personal email addresses.
- Privileged communications with Commission Counsel's Office.
- Working documents – including emails, notes, and draft reports – generated in the ongoing administrative review of applicants' proposals and requests.
- Any information that, if disclosed, could adversely affect the Commission's business.

Upon separation of employment, or at any time upon the Commission's request, employees must deliver all copies of confidential information or other property belonging to San Diego LAFCO.

2.4 ELECTRONIC COMMUNICATION

Electronic information and communications require safeguards and impose unique responsibilities on all users at San Diego LAFCO. This policy and related procedures provide guidelines for the acceptable use of all Electronic Communications Resources and the responsibility for use of data stored electronically. The provisions of this policy apply to all employees of the Commission, including, but not limited to, full-time, part-time, and temporary employees, as well as volunteers, interns, agents, and vendors.

This policy governs all Electronic Communications including, but not limited to, the following commonly used devices at LAFCO:

| | | |
|-------------------------|---------------------------|-------------------|
| internet | e-mail | voice-mail |
| smart phones | computers/laptops | tablets |
| video + audio equipment | wireless networks | email networks |
| data networks | agency social media sites | software programs |

The Commission, as the provider of access to its electronic communications and data e-sources, reserves the right to specify how those resources will be used and administered to comply with this policy. Employees may be subject to corrective action including termination for using the Electronic Communications Resource Devices in a manner other than for their intended purposes, or in a manner that violates applicable laws. [Employees should only perform work on LAFCO issued devices and must not use personal devices – this applies to employees who are allowed telecommuting privileges.](#)

2.4.1 No Expectation of Privacy

San Diego LAFCO's information and communication network is provided by the Commission to individual employees based on authorization by the Executive Officer. It remains at all times Commission property. All employee transactions on the internet from Commission devices (e.g., computers, telephones, smart phones, and tablets as well as e-mail and data networks) - including e-mail, contact lists, and task lists - are considered public information. The Commission monitors communications transmitted via the assigned Commission e-mail in the ordinary course of business for purposes that include ensuring their reliability and security. The existence of passwords and "message delete" functions do not restrict or eliminate the ability or right of the Commission to access electronic communications.

Employees should not communicate any personal, private, privileged, or confidential information including but not limited to personal attorney client communications, financial, medical information, or other privileged information, using the Commission's Electronic Communications Resources Devices. Employees who do communicate their private, privileged, or confidential information using the Commission's Electronic Communications Resources Devices will be considered to have waived any privilege or privacy rights in those communications, even where those communications are made via personal password-protected accounts using the Commission's Electronic Communications Resource Devices. Users can have no reasonable expectation of privacy in use of Commission systems, devices, or materials. Additionally, the Commission may be

required to produce information transmitted or stored on its Electronic Communications Resource Devices pursuant to a court order, subpoena, or statute.

2.4.3 Internet Restrictions

The information sources accessible through the internet are worldwide and constantly growing in kind and number. It is not possible to fully itemize the types of information accessible by systems and their users. Nonetheless, San Diego LAFCO reserves the right to restrict access to any online data source at its sole discretion. These restrictions do not constitute an implication of approval of other non-restricted sources.

Without exhausting all the possibilities, the following are examples of inappropriate use of the Commission's Electronic Communications Resource Devices:

- Exposing others unwillingly, either through carelessness or intention, to material which is offensive, obscene or in poor taste. This includes information which could create an intimidating, offensive, or hostile work environment.
- Using Electronic Communications Resource Devices in any way that may, for a reasonable person, create or further a hostile attitude or give offense based on race, color, religion, national origin, citizenship, ancestry, marital status, gender, disability, age, veteran's status, sexual orientation, or any protected status.

- Receiving and/or downloading executable files and programs using electronic mail or the Internet without express permission of the Executive Officer is prohibited. This includes, but is not limited to, software programs and software upgrades. All downloaded files must be scanned for viruses before installing on Commission owned equipment. Software applications/programs that must be upgraded on a routine basis are exempt from this restriction.
- Using another user's name and/or account, without express written permission of the Executive Officer, to access the Internet is strictly prohibited.
- Violating copyright and license agreements regarding software or publication they access or download from the internet. The Commission will not condone violations of copyright laws and licenses and the employee will be personally liable for any fines or sanctions caused by the license or copyright infringement. Any software or publication that is downloaded onto Commission computer resources, becomes the sole property of the Commission.
- Using Commission equipment or resources to speak on the Commission's behalf without authorization.

2.4.4 Incidental Personal Use

San Diego LAFCO employees may use Commission devices (e.g., computers, telephones, smart phones, and tablets as well as e-mail and data networks) for incidental personal communications if kept to a minimum and limited to break times or non-working hours and does not violate the terms of this policy. [Incidental personal use of electronic resources must not adversely affect the performance of official duties or the organization's work performance, must not be disruptive of colleagues and peers, and must be of limited duration and frequency. More than occasional, incidental use of Commission devices, including during nonwork time, is not permitted.](#)

2.4.5 Personal Social Media Code of Conduct

San Diego LAFCO understands that employees may engage with personal social media and social networking websites on their own time. While the Commission respects its employees' right to engage in these off-duty activities, employees are nonetheless held to a high professional standard as public servants and expected to conduct themselves appropriately in all such public communications, whether on or off the clock. Individuals violating this policy may be subject to discipline up to and including termination.

To ensure that Commission employees understand the Commission's expectations regarding external social media use, the following guidelines have been developed. Employees are expected to follow these guidelines using their best personal and professional judgment. Employees are expected to always conduct themselves professionally, and in a manner that does not adversely impact Commission interests.

- Employees are personally responsible for the content they publish on blogs, wikis, or any other online form of user-generated media and should be mindful that what is published will be public indefinitely.
- Employees should avoid discussing Commission or Commission-related matters using personal social media. If such matters must be discussed, the employee should write in the first person and make it clear that they are representing themselves, and not the Commission.
- Employees may not publish or disclose Commission or another's confidential or other proprietary information. Employees should not publish or report on conversations or any communication on information that is meant to be private or internal to the Commission.
- Employees may not use insensitive language or otherwise engage in any conduct that would be discourteous, offensive, or unprofessional in the workplace, or that would otherwise violate any Commission policy, including but not limited to the policy prohibiting harassment and discrimination.
- Employees are not to use Commission logos in any of forums for non-work-related purposes.
- Employees should be aware of their association with the Commission in online social networks and ensure that their profile and related content are consistent with how they wish to present themselves to colleagues and the public.
- Employees are encouraged to be the first to correct unprofessional behavior, not to provoke fights, and avoid altering previous posts without indicating that they have done so.
- Employees should refrain from using social media during paid work hours, even if they are not actively posting to social media.

This policy is in no way intended to prevent employees from engaging in protected concerted activity or engaging in otherwise lawful conduct on their own time. This policy is separate from the Commission's Administrative Policy (A-107) regarding the Social Media Use Program.

2.5 TELECOMMUTING

San Diego LAFCO has implemented a telecommuting policy under Commission Rules 6.21 (Telecommuting) and allows certain employees to telecommute from an alternative worksite on a situational or regular basis for some ~~of their~~of their regularly scheduled work hours. Telecommuting is a privileged and cooperative arrangement between employees and the Commission and subject to certain eligibility conditions and requirements.

The Executive Officer or designee possesses the discretionary authority to determine the job classifications, positions, and employees who are eligible to telework under this policy. The Executive Officer or designee, may decide using criteria including, but not limited to, the following:

- Regular status full time employees who have worked at the Commission for at least one 6 months, including the probationary period, with the discretion of the Executive Officer to reduce or expand the period;
- Prior annual job performance evaluation and/or job performance that meets or exceeds standards across all listed performance measures and demonstrates employee ability to work independently;
- The employee is self-motivated and demonstrates high dependability;
- Job duties and requirements allow the employee to be away from the Commission's worksite for a period during the work week;
- The availability or ability to create a functional, reliable, healthy, safe, and secure alternate worksite for the employee at a reasonable cost;
- The risk factors associated with performing the employee's job duties from a location other than the LAFCO office;

If the immediate supervisor is not available, the employee must notify the Executive Officer or Assistant Executive Officer.

Arriving late to work or leaving early in connection with scheduled work times, breaks, or meal periods is prohibited, without prior authorization. An employee who fails to timely notify the supervisor of any absences as required by this policy, or who is not present and ready to work during all scheduled work times will be considered to have an unauthorized tardy or absence and will not receive compensation for the period of absence.

Files are kept for at least three years after separation of employment. A personnel file will contain only material that the Commission considers necessary and relevant or that is required by law. Personnel files are the property of the Commission and access to the information they contain is restricted to protect employee privacy interests.

Upon reasonable notice and during normal business hours on normal business days, current and former employees, or a representative of the employee, may review their official personnel file in the presence of the Executive Officer or designee. Employees are permitted to see any records regarding qualification for employment, promotion, wage increases, earnings and deductions, or discipline. Employees may, upon written request, receive copies of documents from their personnel files; only documents that they have signed may be copied. Employees may respond to anything in writing that is in the personnel file, including any negative information, and may request that the response be included in their file. The file is the property of the Commission; employees may not

Employees may designate a representative to conduct the inspection of the personnel record or receive a copy. Legal requests for information should also be referred to the supervisor.

3.15.4 Medical Files

All medical information about an employee or applicant at San Diego LAFCO is kept in separate medical files and is treated as confidential. Access to employee or applicant medical information is strictly limited to those with a legitimate need to have such information for Commission business reasons, or if access is required by law, subpoena, or court order. In the case of an employee with a disability, supervisors may be informed about necessary restrictions on the work or duties and necessary accommodations.

3.16 TRAINING

San Diego LAFCO employees may be assigned to attend training programs, seminars, conferences, lectures, meetings for the benefit of the Commission or the individual employees. Such training assignment is subject to approval by the Executive Officer or designee, and the Commission will pay for associated fees and necessary and approved travel expenses.

Employee attendance at assigned training activities will be considered hours worked and will be compensated in accordance with normal payroll practices. Procedures to request and obtain reimbursement for approved training-related costs can be found in Section B. (Working Conditions, Travel and Expense Reimbursement).

3.16.1 Mandatory Attendance

Employee attendance at assigned training programs, seminars, conferences, lectures, and related meetings occurring during their regular work hours is not optional.

3.16.3 Exclusions

This policy does not apply to an employee's self-sponsored attendance at formal or informal educational sessions, even if these sessions generally may lead to improved job knowledge or performance. 3.18 WORKERS COMPENSATION

All employees at San Diego LAFCO are covered under the California Workers' Compensation laws. The workers' compensation system provides for coverage of medical treatment and expenses, occupational disability leave, rehabilitation services, as well as partial payment for lost wages due to work related injuries or illness. Procedures established by the County of San Diego for Workers Compensation must be followed alongside the steps below.

To ensure that employees receive any Workers' Compensation benefits to which they may be entitled, the following steps are required:

- Immediately report any work-related injury to their supervisor or manager;
- Seek medical treatment and follow-up care as necessary;
- Complete the Employee's Claim Form (DWC Form 1), along with other required forms, provided by the Commission and return it to the supervisor; and
- If medically advised, provide the Commission with a medical certification regarding the need for Workers' Compensation disability leave, as well as the eventual ability to return to work from the leave.

Upon submission of a medical certification that an employee can return to work after a workers' compensation leave, the employee, under most circumstances, will be reinstated to the same position held at the time the leave began, or to an equivalent position, if available. An employee returning from a workers' compensation leave has no greater right to reinstatement than if they had been continuously employed rather than on leave.

3.18.1 Leave and Benefits

Should a San Diego LAFCO employee receive Workers' Compensation benefits while on leave, reconciliation may be needed to remit any excess monies paid beyond their regular pay. In these circumstances, and when employee authorizes, the difference between the benefit amount established by Workers' Compensation and the employee's regular pay will be deducted from the employee's accumulated leave balances - such as sick leave, vacation, and/or other personal leave if available. The employee will continue in pay status and receive pay until their accumulated sick leave, vacation days, or other personal leave have been depleted to the nearest hour.

During the time the employee is in fully paid status while absent from work by reason of injury or illness covered by Workers' Compensation, sick leave and vacation benefits will continue to accrue as though they were on a leave of absence.

Any employee subject to this policy who depletes their accumulated sick leave, vacation days or other personal leave while absent from work by reason of an injury or illness covered by Workers' Compensation may receive an unpaid leave of absence and continuation of health care benefits consistent with state and/or federal law.

3.18.2 Dishonesty

Employees who are found to abuse, or fraudulently use these temporary disability provisions may be subject to corrective action up to and including termination.

3.19 SEPARATION OF EMPLOYMENT

Separation of employment at San Diego LAFCO can be either voluntary or involuntary and may be initiated either the employee or the Commission.

3.19.1 Voluntary Separation

A San Diego LAFCO employee who wishes to resign their employment should submit written notice of resignation to the Executive Officer generally, two weeks prior to the planned separation date. The written notice should state the reasons for the resignation. A resignation becomes final when the Executive Officer accepts the resignation in writing.

3.19.2 Involuntary Separation / Discharge

An involuntary separation/discharge is one that is initiated by San Diego LAFCO for any reason other than a reduction in work force.

3.19.3 Job Abandonment

A San Diego LAFCO employee is believed to have resigned from their position if they are absent for three consecutive scheduled workdays without prior authorization and notification to their supervisor, and without extraordinary circumstances that can be verified. The last day worked will be the date of separation.

3.19.4 Layoff

A layoff is normally an involuntary termination that is initiated by San Diego LAFCO because of reorganization, position elimination, declining operations/lack of work, or lack of funds and not otherwise caused by the affected employee. Layoffs will be determined by positions(s) at the sole discretion of the Commission with or without a recommendation from the Executive Officer. Generally, positions identified for layoff will be those determined to be the least vital to the continuation of Commission operations even if service levels or types are reduced or modified, or other jobs become subject to reorganization and a change in job duties.

If more than one employee occupies a position identified for layoff, comparative consideration as to which employee will be laid off will be based on merit with consideration given to skills and qualifications possessed, performance records and work history. Any employee laid off will be placed on a rehire list for not less than one year from the date of separation and will be given preference over external applicants in the event the same position, or substantially similar position having reasonable similar requirements, becomes available during that period.

3.19.5 Return of Commission Property

All San Diego LAFCO property in the employee's possession must be returned prior to separation. This includes, but not limited to, keys, key fobs, parking passes, transit cards, identification cards, equipment, laptops and related accessories, credit cards, gas cards, cell phones, and any other Commission holdings.

3.19.6 Job References/Verification of Employment

All reference inquiries and verifications of employment at San Diego LAFCO must be referred to and approved by the Executive Officer. Unless the Executive Officer receives a written waiver signed by the employee, the Commission will release only the employee's dates of employment, last position held, final salary rate, and rehire eligibility. Supervisors and/or managers should not provide information in response to requests for reference checks or verification of employment, unless specifically approved by the Executive Officer on a case-by-case basis.

San Diego LAFCO employees are expected and required to perform to the best of their abilities at all times. Any employee who fails to perform at least at a satisfactory level, who violates a Commission policy or who otherwise engages in inappropriate conduct may be subjected to discipline, up to and including termination of employment.

While employment may be terminated at will by the employee or the Commission at any time, the Commission may choose to exercise its discretion to use forms of discipline that are less severe than termination in certain cases. Examples of less severe forms of discipline include, but are not limited to written reprimand, suspension, reduction in salary, and demotion. Although one or more forms of discipline may be administered with respect to a particular employee, no formal order or progressive system is necessary or required.

An employee's failure to respond within the five (5) calendar days of receipt is a waiver by the employee of their right to respond and an acceptance of the proposed discipline.

3.20.4 Final Decision to Discipline

Upon receipt of and consideration of the employee's response, if any, the Executive Officer will issue a final decision to the employee.

3.21 TERMINATION OF EMPLOYMENT

Although always executed for valid business reasons, San Diego LAFCO does not provide written notice of, nor an ability to respond to, any at will termination of employment.

3.22 COMPLAINT PROCEDURE.

3.22.4 Process

If an employee at San Diego LAFCO is unsure of which step to file a complaint they may file with the Executive Officer', and the complaint will be sent to the appropriate level.

Failure of Commission representatives to comply with the time limits allows the employee to appeal to the next level of review, and failure of the employee to comply with the time limits constitutes abandonment of the complaint. However, the parties may extend time limits by mutual written agreement in advance.

The existence and availability of this process does not change in any way whatsoever the at-will nature of employment, does not grant any property interest nor right in employment, nor grant due process rights.

If the need for sick leave is not foreseeable, the employee must provide written or oral notice of the need for the leave as soon as possible.

If the employee is required to be absent on sick leave for more than one day, the employee should keep the Executive Officer or Assistant Executive Officer informed each day as to when the employee expects to return to work and the purpose of the leave. Failure to request sick leave as required by this policy without good reason, may result in the employee being treated as absent without leave.

4.2.4 Restrictions

This provision authorizing cash compensation for unused sick leave applies so long as an employee has unbroken service even though the employee may change classification as a Commission employee.

Employees in all LAFCO classes may upon retirement, deferred retirement, disability retirement, or death, convert all or a portion of accrued sick leave balance into retirement service credits subject to the rules and regulations of the of the San Diego County Employees Retirement Association, provided: (a) the employee has completed five (5) or more years of continuous service during that employee's present employment; and (b) the employee's sick leave balance totals one hundred (100) hours or more.

One hundred (100%) of all sick leave credits that are paid to the employee in cash at 50% will be removed from the employee's sick leave balance.

The Commission may, as allowable by current law and with advance written notification, require an employee to submit a doctor's certificate or other evidence acceptable to the Commission, after five days of protected leave such as kin care or sick leave.

For purposes of sick leave use, family is defined as follows:

- A "parent" is defined as a biological, foster, or adoptive parent; stepparent; or legal guardian of an employee or the employee's spouse or registered domestic partner. A parent may also be someone who accepted the duties and responsibilities of raising you when you were a minor child, even if they are not your legal parent.
- A "spouse" is defined as a legal spouse according to the laws of California, which do not recognize "common law" spouses (a union that has not been certified by a

- A "domestic partner" is defined as a legal domestic partner according to the laws of California and who has filed a Declaration of Domestic Partnership with the Secretary of State.

When an employee is unable to report for duty due to the employee's own illness or that of a family member as defined above, the employee should notify the Executive Officer or Assistant Executive Officer as soon as possible.
