Development Project”. b) Proposed Draft Workplan and Budget for 2024-2025 (action)

The Commission will consider recommendations in adopting a proposed draft workplan and budget for 2024-2025. The draft workplan outlines 30 activities in priority order and headlined by continuing municipal service reviews on wholesale water service providers and healthcare districts as well as grant work evaluating economic conditions for certain agricultural crops. Several new projects round out the draft workplan and headlined by initiating a municipal service review on the San Diego Association of Local Governments. The draft workplan informs the draft budget, which totals \$2.887 million in matching expenses and revenues. More than four-fifths of total expenses –\$2.403 million– covers operating costs and represents an increase of 6.3% and largely ties to inflationary adjustments plus targeted enhancements in certain non-labor accounts as detailed. Adoption of the draft workplan and budget will precede a formal public review and conclude with final actions in May. (Pages 151-166)

8. BUSINESS CALENDAR

Business items involve regulatory, planning, or other items that do not require a noticed hearing.

a) Final Administrative Assessment |

Commission Oversight Duties and Port of San Diego (action)

The Commission will receive a final administrative assessment on LAFCO’s oversight duties as they relate to the Port of San Diego – formally the San Diego Unified Port District. The assessment fulfills a request by the Commission to evaluate whether the Port is subject to LAFCO similar to other special districts in San Diego County. The assessment concludes the Port is subject to LAFCO oversight as an independent special district in the performance of local governmental and proprietary functions. It is recommended the Commission accept the assessment and approve a conforming policy statement. Alternatively, and as contemplated, should it separately determine the Port is performing functions exclusively for the benefit of the State, the Commission should accept the assessment and approve a substitute policy statement that the Port is not subject to LAFCO oversight. (Pages 167-182)

b) Proposed Policy Update |

LAFCO Personnel Policies and Procedures (action)

The Commission will review a proposed policy update to its personnel policies and procedures. The proposed update ties to the adopted workplan and prepared with the assistance of LAFCO’s contract human resources advisor – Regional Government Services Authority. The Commission reviewed a draft version at its December 2023 meeting with feedback for staff to further refine certain employer-employee relationships – including telework provisions and related liability protections. The proposed update incorporates these and other refinements and edits as detailed and presented for Commission approval with any changes. (Pages 183-254)

BUSINESS ITEMS CONTINUED...

c) Appointment of a Regular Public Member (action)

The Commission will consider making an appointment to fill the vacated term of the regular public member position. The term became vacated on January 19, 2024 with the resignation of Andy Vanderlaan. The unexpired term extends through April 2025. The item has been noticed to accommodate the Commission proceeding immediately with the appointment of the alternate – Harry Mathis – to assume the unexpired term and done so based on input provided at the February meeting. Alternative actions available to the Commission include – but not limited to – forming an ad hoc committee to recruit, interview, and/or recommend candidates to fill the unexpired term. (Pages 255-260)

d) Contingency Options to Appoint New Alternate Public Member (action)

The Commission will consider available options and related preferences should it be necessary to make a new appointment for the alternate public member position. The item ties to the Commission’s separate consideration on the agenda and the potential appointment of the current alternate – Harry Mathis – to fill the unexpired term of the regular public member term. Should Commissioner Mathis become the regular public member, a new appointment will be needed to fill the balance of the alternate position term through April 2027. Consideration will include reviewing policies and/or established procedures used by other LAFCOs in the region. Staff is seeking direction. (Pages 261-274)

e) Grant Work Update |

Sustainable Agricultural Lands Conservation Planning Grant 2.0 (information)

The Commission will receive an update on its ongoing SALC planning grant – i.e., “SALC 2.0” – in partnership with the County of San Diego’s Planning and Development Services. SALC 2.0 entails conducting a comprehensive market analysis for both existing and emerging crops, alongside a gap analysis aimed at pinpointing areas where governmental intervention can help bridge economic gaps with a focus on aiding small-scale farming. The update is for information and provides an opportunity for the Commission to ask questions or provide related feedback as grant work goes forward. (Pages 275-280)
