**Proposed “O’Ryan – Calavo Drive Change of Organization” |
Annexation to the Otay Water District & Conforming Sphere Action (CO24-05)**

Item presented to consider a change of organization proposal initiated by landowner petition. The proposal seeks Commission approval to annex 0.30 acres of unincorporated territory within the Spring Valley community to the Otay Water District (WD). The affected territory comprises one undeveloped legal parcel entirely within Otay WD’s sphere of influence. The proposal’s purpose is to establish wastewater service to facilitate the planned development of one single-family residence and accompanying accessory dwelling unit (ADU). Staff recommends conditional approval of the proposal with a modification to include 8.11 acres of adjacent public right-of-way along Avocado Boulevard as a boundary enhancement with a conforming sphere amendment. Waivers recommended and include the applicant fee for the corresponding sphere amendment associated with the proposed modification, proceeding without a new municipal service review that would otherwise be required under LAFCO Policy L-106, and dismissing protest proceedings. It is separately recommended the Commission make exemption findings under the California Environmental Quality Act.
