**SUBJECT: Budget Update for 2024-2025 |
 First Quarter Actuals with Year-End Projections**

SUMMARY

The San Diego County Local Agency Formation Commission (LAFCO) will review a report comparing budgeted and actual transactions through the first quarter of 2024-2025 and related analysis. The total budget for the fiscal year – operating and non-operating – is \$2.912 million. The Commission finished the first quarter expending 17% of total budgeted expenses while collecting 74% of total budgeted revenues. The report projects the Commission is on pace to finish the fiscal year generally as expected with a net surplus of \$0.064 million or 2%. No amendments are recommended at this time. The report is being presented to the Commission to formally accept and provide direction to staff as needed.

BACKGROUND

San Diego LAFCO’s adopted budget for 2024-2025 totals \$2.912 million with the majority – \$2.428 million – allocated to operating expenses and covers labor and service/supplies costs. Non-operating expenses involve transacting grant awards and debt service. Matching revenue amounts are budgeted for both operating and non-operating units. The total unrestricted fund balance as of July 1, 2024 was \$1.613 million with \$0.738 million unassigned.

DISCUSSION

This item is for San Diego LAFCO to receive an update comparison of budget to actual expenses and revenues through the close of the first quarter (September 30, 2024). A detailing of all booked expenses and revenues plus projected year-end totals is provided in general ledger format as Attachment One. The report provides the Commission the opportunity to track trends and provide related direction as needed.

Expenses

San Diego LAFCO's budgeted expense total for 2024-2025 is \$2.912 million. This amount is divided between \$2.428 million in operating and \$0.484 million in non-operating units. Total actual expenses booked through the first quarter total \$0.502 million. This booked amount represents 17% of the budgeted total with 25% of the fiscal year complete. The actuals paired with staff analysis suggests LAFCO is on pace to finish with \$2.834 million in total expenses. Should this projection hold, LAFCO will achieve an unexpended budgeted savings in expenses of \$0.079 million or 3%. An expanded discussion on budgeted and actuals through the first quarter with year-end projections within the three expense units follow.

Expense Unit | Operating: Salaries and Benefits

LAFCO has budgeted \$1.468 million in salaries and benefits with the proceeds largely tied to funding 8.0 fulltime equivalent positions.¹ Actual expenses through the first quarter total \$0.325 million or 22% of the budgeted amount with 25% of the fiscal year complete. Going forward it is expected overall actuals will near the budget total at \$1.413 million through the end of the fiscal year. If this projection holds, LAFCO will experience an overall unit surplus of \$0.056 million or 4% less any amendments.

Expense Unit | Operating: Services and Supplies

LAFCO has budgeted \$0.959 million in services and supplies with the proceeds largely tied to payments to the County of San Diego for information technology and general support followed by a range of professional service expenses (e.g., legal, consultants, etc.). Actuals through the first quarter total \$0.176 million or 18% of the budgeted amount with 25% of the fiscal year complete. Going forward it is expected overall actuals will near the budget total at \$0.936 million through the end of the fiscal year and this includes absorbing additional consultant usage. If this projection holds, LAFCO will experience an overall unit surplus of \$0.023 million or 2% less any amendments.

Expense Unit | Non-Operating

LAFCO has budgeted \$0.484 million in non-operating costs covering debt service and grant payments. Total expenses billed during the first quarter tally \$0.001 million. It is expected actuals will total the budgeted amount of \$0.484 million less any amendments.

¹ Other expenses booked in the salaries account include per diems, intern pay, and performance awards.

Revenues

San Diego LAFCO's budgeted revenue total for 2024-2025 is \$2.912 million. This amount is divided between \$2.399 million in operating and \$0.513 million in non-operating units. Actual revenues collected through the first quarter totals \$2.156 million. This amount represents 74% of the budgeted total with 25% of the fiscal year complete. These actuals paired with staff analysis suggest LAFCO's year-end revenue will total \$2.897 million. Should this projection hold, LAFCO will experience a budgeted shortfall of (\$0.015 million) or (1%) and attributed to slightly lower-than-expected application fees. An expanded discussion on budgeted and actual revenues through the first quarter with year-end projections follows.

Revenue Unit | Operating: Intergovernmental Fees

LAFCO has budgeted \$2.184 million in intergovernmental fees. This total budgeted amount is divided between LAFCO's four agency membership categories based on statutory formula. Through the first quarter \$2.123 million – or 97% - of all invoiced amounts have been collected. All invoices are expected to be collected by the end of the year.

Revenue Unit | Operating: Service Charges

LAFCO has budgeted \$0.200 million in application fees. Actuals through the first quarter totals \$0.025 million and represents 13% of the budgeted amount with 25% of the fiscal year complete. Staff anticipates the application fees ultimately tally \$0.175 million, which would result in a year-end budget deficit of (\$0.025 million) or (12.5%) less any new amendments.

Revenue Unit | Operating: Interest

LAFCO has budgeted \$0.015 million in interest earnings. Actuals through the first quarter totals \$0.008 million of the budgeted total or 51% of the budget with 25% of the fiscal year complete. Staff anticipates interest collections will ultimately tally \$0.025 million and result in a year-end budget surplus of \$0.010 million or 67%.

Revenue Unit | Non-Operating

LAFCO has budgeted \$0.513 million in non-operating revenues that involve fund balance usage and anticipated grant awards. No monies have been booked through the first quarter. Staff anticipates – however – that the full budgeted amount will be booked.

ANALYSIS

Activity through the first quarter of the fiscal year shows San Diego LAFCO is generally proceeding as planned relative to budgeted expectations. There are also no significant outliers in actual expenses or revenues effecting unit total amounts through the first three months. As provided above, staff anticipates an overall net surplus with actual revenues exceeding actual expenses by \$0.064 million or 2%.

RECOMMENDATION

It is recommended San Diego LAFCO accept and file the report and provide related direction to staff as needed. This recommendation is consistent with Alternative One outlined below.

ALTERNATIVES FOR ACTION

The following alternatives are available to San Diego LAFCO through a single motion:

Alternative One (recommended):

Accept and file the report with any additional direction to staff as needed.

Alternative Two:

Continue to a future meeting and provide direction to staff with respect to any additional analysis or information requested.

PROCEDURES

This item has been placed on the agenda as part of the consent calendar. Accordingly, a successful motion to approve the consent calendar will include taking affirmative action on the staff recommendation as provided unless otherwise specified by the Commission.

Respectfully,

Keene Simonds
Executive Officer
